A settlement has been reached with Maxim Healthcare Services, Inc. (the “Defendant”) in a class action lawsuit about a data incident that occurred on October 1, of 2020 through on December 4, of 2020 (the “Data Incident”). Defendant announced the Data Incident on or about November 4, 2021. The Plaintiff, Michael Wilson, filed a lawsuit asserting claims against Defendant relating to the Data Incident. Defendant denies all of the claims and says it did not do anything wrong.

- **WHAT HAPPENED?** Plaintiff alleges that from October 4, 2020 through December 4, 2020, hackers obtained information from Defendant including the personally identifiable information (“PII”) and protected health information (“PHI”) (PII and PHI collectively referred to as “Private Information”) of 28,425 people. Plaintiff alleges that, as a result of the Data Incident, an unauthorized user gained access to Plaintiff’s and Settlement Class Members’ Private Information contained in email accounts and attachments containing patients’ names, addresses, dates of birth, contact information, medical history, medical condition or treatment information, medical record number, diagnosis code, patient account number, Medicare/Medicaid number, username/password, and Social Security numbers (“SSNs”).

WHO IS INCLUDED? You received this notice because Defendant’s records show you are a member of the Settlement Class. The Settlement Class includes all residents of the United States who were sent notice letters notifying them that their information may have been compromised in the Data Incident.

SETTLEMENT BENEFITS. The Settlement provides that all Class Members shall receive a code for 12-months of Financial Shield identity theft protection. Your activation code is contained on this Postcard Notice, and may be used to activate the Financial Shield service at <https://app.financialshield.com/enrollment/activate/maxim> after the Effective Date, estimated to be August 28, 2023.
